

Student's Name:?????

This includes 6 stamps.

1. Get the color to the background.(Dark blue)

2. Go to the shape box in the left corner and choose circle.

3. Get the size of the bottom circle for the bottom of the snowman.

4. Then the middle of the snow man.

5. And finally the top. Make sure you put the snowman in the middle. and stack it like a snowman.

6. Next go to stamps and look for the present box with a bow.

7. Put that in front of the bottom snowball.

8. Then go to stamps again and click the ambulance.

9. Put the ambulance in the bottom right corner 1/2 an inch high.

10. After you get that in place go back to stamps and get the fire truck and place it 3/8 high in the left corner and make it red.

11. Go to the marker and get the line size of the orange nose. (the size is 15)

12. Then make the scarf and put 10 lines in the middle of the scarf. Then fill the spaces left between the lines. The first space bright green then really bright blue then the next space Red then purple, yellow, bright green red purple red and purple.

13. After that make the mouth out of black dots. (Smiley face)

14. Then go to shapes and choose circle and then click any where to make the shape. (Drag out !) The first snowflake should be 1/8 of an inch to the right of the head, the 2nd should be 1/8 to the middle snow ball on the right side and on the upper right side of that snowflake and from that one go another 1/8 in the same direction.

15. ENJOY!!!!!!
